DECLARED A LEGAL NEWSPAPER BY ACT OF SUPERIOR COURT FOR ALAMEDA COUNTY

ALBANY, ALAMEDA COUNTY, CALIFORNIA, FRIDAY, JULY 2, 1937

NUMBER 37

Rezoning Action Deferred Again by Municipal Body

Council Asks That Protesting Petitions Be Checked, Will Take Matter Up Again on July 6

Albany's controversial rezoning will again be brought up by the City Council at the meeting next Tuesday night, following a session here Monday that was witnessed by an interested capacity crowd.

The council's plan to rezone lots on Solano Avenue west of San Pablo to permit construction of apartment houses and duplexes, allowable of the property becomes second class residential, was protested by a petition bearing the names of 60 owners in the district.

Chief opposition, as expressed by John Mattos, of Solano Avenue, to the move is that it "would permit shacks." A similar thought was expressed by J. Vila, builder and contractor.

Among those who backed the rezoning proposition was Mrs. Beatrice Raymond, president of the Albany Chamber of Commerce and realtor of this city. "The City needs housing facilities," she pointed out. "I see no reason to close our doors to people who wish to come here and spend money."

DENIES IMPLICATION

Mrs. Eva Wilson, local businesswoman and representative of an owner that seeks to build a duplex, stated that the building would be a credit to the city and not "a shack," as charged by the protesters.

Action on this matter and the question of rezoning property to light industrial from second class residential in the northern part of the city were put over until next week to give City Clerk H. W. Brewer an opportunity to determine if new protesting petitions were those of actual property owners.

Film Program Given Before Rotary Club

Marking the last occasion on which President Don Bruce and Secretary Dr. Lawrence Walter officiated in their respective positions last Monday's meeting of the Albany Rotary Club witnessed an interesting program of motion pictures provided by Gerald Murphy of the local Chevrolet firm.

Introduced by Murphy was C. D. Huston, of the educational department of the Chevrolet Motor Company, who presented three films showing the manufacture, performance and ruggedness of the motor cars.

C. N. Lavers, city attorney and past president of the club, commended Dr. Walter, retiring secretary, and presented him with a past secretary's pin from the group.

Visiting Rotarians from Oakland, and Berkeley, and one from New Hampshire were present.

No meeting is scheduled for next Monday, July 5, because of the holiday. At the next session, July 12, Kenneth Glines, Cornell School principal, will assume the presidency to which he was recently named, while Walter C. Kees, of the Bank of America, will begin his term as secretary.

Don's Has Huge Fireworks Stock

Now offering one of the largest and most complete stocks of legal fireworks in the City, Don's Market at Washington and San Pablo Avenues is proving a mecca for those who wish to celebrate the Fourth in the "old fashioned" way. Multi-hued sparklers, pinwheels and the many varieties of other necessary adjuncts to make the holiday a success are on hand at the large open air stand.

Back from a two-week trip in the South, Mr. and Mrs. Les Varbi of Madison Street report an enjoyable time visiting friends in San Bernardino, Long Beach and Inglewood. Varni, a captain in the Fire Department, and his wife also visited Tijuana, Mexico.

City Still Has Building Boom Report Proves

The building "boom" continues in Albany, according to the report just issued by Building Inspector H. I. Dygert which shows that 31 permits for buildings, alterations, etc., were issued by his office during the month of June.

Fourteen permits for dwellings, valued at \$55,002, were given out, while 17 permits for alterations, additions and private garages will add \$3110 to the city tax rolls.

A total of \$59,012 in permits for the month, this compares favorably with June, 1936 which saw only \$27,023 worth of building going on. Dygert's department has issued permits for \$260,865 so far this year, in comparison with \$144,303 during the same period in 1936.

Merchants to Play 2 Games

Albany Merchants will provide a full week-end of baseball for their followers as they meet the Berkeley Grays, well known Negro team, on Sunday afternoon, and the Orinda Reds on Monday. Both games will be held at University Park, start at 2:30 p. m.

A similar double schedule last week-end proved too much for the local nine as it met defeat in the encounter with the Oakland Casket Company. Final score was 8 to 4, after a tie game the first four innings.

Disaster arrived in the shape of four runs, a lead that proved too much to overcome for the Merchants. Art Eppson and "Lefty" George pitched a good game for the losers. Frank Peacock, with two hits, and H. Huston, doubling, were the outstanding hitters on the local squad.

More fortunate were the Merchants in their game with Grimslett's Sporting Goods as they brought home a 2-0 victory. Relieving Pitcher Curcio in the second when his arm became sore, A. Stagnaro pitched tight ball the balance of the game, allowing but two hits.

Albany's scores were made in the first and second. The losers had the bases full twice but failed to score. Three double plays during the contest were chalked up for the winning outfit. The Merchants' runs were brought in by Carl Gerner and G. Caruso.

Seat Officers Of Maccabees

Albany Tent No. 124 of the Maccabees held its semi-annual installation of officers last night at the lodge temple on Kains with Past Commander Carl Nieper acting as installing officer, aided by Frank Mello as master-at-arms.

Before a large crowd of members, the following were seated in their respective positions to guide the organization's affairs during the coming six months.

Fredric Walters, past commander; John Noble, commander; Ted Williams, lieutenant commander; Arthur B. Taveira, record keeper; Elwood Matthews, chaplain; J. Parke Williams, sergeant; Paul Randall, master-at-arms; Arthur Eppson, first guard; Alden Thorogood, second guard; Joseph Thelan, sentinel; Irving Liner, picket; and Raymond Matthews, organist.

Entrusted with the task of providing entertainment for the membership are Thorogood, Liner and A. F. Lemus.

The program was closed with a watermelon feed supplied by the refreshment committee headed by Otto Rehms.

Officer and Mrs. John Viarengo and their young daughter, Mary Francis, returned Sunday night after spending 10 days on the Russian River and at Ukiah.

Mrs. Gerald Browne, Mrs. J. J. McGowan and Mrs. George Browne attended a luncheon yesterday in San Francisco at the home of Mrs. W. Rolph.

---AND A SAFE FOURTH OF JULY!

While this block print illustrates the noise and excitement of the great American holiday, it also serves to remind of the dangers of the occasion.

It was designed by Vernon Smith of the Recreation Department to suggest to the public that the day will be less hazardous for those that take part in the many activities on the City's playgrounds.

Additional warnings come from the Police and Fire Departments who advise all those handling fireworks to be as careful as possible, to prevent tragic and unnecessary accidents.

Court Fines Speeders in Busy Evening

Wednesday night's session of the Police Court had its serious moments as well as its lighter ones as Judge Louis J. Hardie faced a full calendar of traffic law violators.

The heavier aspects of the evening began as Thomas J. Shortall, 29, of 2430 Byron Street, Berkeley, entered a guilty plea to the charge of reckless driving. He was arrested on June 29 by Officer Stanley Williams for driving in the wrong lane on San Pablo Avenue and had been drinking, the policeman testified, although not enough to warrant an intoxication charge.

A fine of \$50 and five months' probation was named by the jurist. The offender agreed to pay the amount in five monthly payments.

FINES SPEEDERS

A penalty of \$25 was assessed against Henry R. Patton of Oakland, following his plea of guilty to a charge of speeding 60 miles an hour here on June 19. Arrested by Officer Kenneth Nickerson early in the morning on that date amid light traffic, Patton averred that this was his first offense.

Speeding 50 miles an hour at the time of his arrest by Officer Frank Davis on June 20, cost Kenneth Lee Wright, 19, of Berkeley, a \$20 fine. Traffic was heavy at the time of the offense, the officer testified. The judge warned the youth, accepted \$10 on the fine and sentenced him to attend Berkeley Traffic School.

James K. Hall, 22, 2200 Acton Street, Berkeley, paid \$5 on a \$10 fine for speeding 50 miles an hour and agreed to attend traffic school after the judge's statement that "the school was what young men need." The other \$5 will be paid next week, Hall promised.

"DOUBLE" VIOLATORS

A ripple of amusement ran through the court as Judge Hardie called "Donald Davis" and looked up to see two young men approaching. A word from Mrs. Myrtle McLean, court clerk, assured him that there really were two men of the same name on the docket.

(Continued on page 3, col. 4)

Has Garden Party

Friends of Mrs. Emily Christiansen, of 1053 Santa Fe Avenue, were guests at a garden luncheon Wednesday. Present were Mrs. I. Adolphsen, Mrs. Gene Santos, Mrs. May Ellis, Mrs. Lillian Christiansen and Miss Margaret Santos.

Mr. and Mrs. Fred Pimental and daughter, LaVerne, are leaving this morning for their cabin on Carquinez Straits for a few days and will then spend a short vacation on the Russian River.

Mrs. W. B. Howard, a former Albany resident now living in Middletown, Lake County, is spending a few days here at the home of friends.

Local WPA Staff Loses 20 Aides

On orders from Washington, D. C., the Recreation Department WPA-sponsored project has been forced to reduce its local personnel in proportion with other recreational projects throughout the country, it has been announced from the local office.

Although the "cut" of 20 persons from the six playgrounds and office force will undoubtedly handicap the department's extensive program, recreation heads say the regular planned schedule of events will be carried out completely with the remaining directors carrying the additional burden.

Local WPA officials admitted the loss of directors would be noticeable here and expressed regrets at the action necessitated by official orders.

Auxiliary in Election of New Officers

New officers were elected Monday night by members of Albany Unit No. 292, American Legion Auxiliary, to serve during the coming year. The meeting was presided over by Mrs. Josephine Foley.

After the ballots had been cast, the following were named:

Mrs. Anne Sartain, president; Mrs. Agnes High, first vice president; Mrs. Selma Serrels, secretary; Mrs. Ethel Harrison, treasurer; Mrs. Jessie Bench, sergeant-at-arms; Mrs. Una Roderick, chaplain; Mrs. Mildred Forster, historian; Mrs. Jessie Fay, Mrs. Sara Finn and Mrs. Amelia Cook, executive board members. The new officers will be installed on July 30.

The unit also adopted a resolution asking that the Board of Supervisors reconsider the recent ruling which banned the use by all non-veteran organizations of the Veterans Memorial Building after September 1.

Mrs. Catherine Rishel, past department chaplain, presented a history of the 1932 Memorial services conducted by the local Auxiliary. These services brought a beautiful silver cup at that time from the state department.

NATIONAL CITATION Albany Unit has received a national citation for membership work, it was announced by Mrs. Jessie Fay, membership chairman, who also reported that this was the only award received in Alameda County during the past year.

For district offices the members announced their endorsement of Mrs. Josephine Foley, retiring Albany president, for the post of first vice president; and Mrs. Lois Wendland for the presidency.

Hostesses for the evening were Mrs. Mildred Hawkins, Mrs. Lucille Hawkins, Mrs. Una Roderick and Mrs. Dorothy Williams. The banquet tables were trimmed with baskets of colorful mixed flowers.

Crowd Attends Fast Session of Badminton Club

Wednesday night saw the second session of the newly organized Albany Badminton Club, directed by the Recreation Department, out in full force with an interested gallery of enthusiasts.

Max Stafford met Ernest Izumi in preliminary matches to determine the club single champions and won one, 15-13. Izumi took the second by the same score.

The two joined to defeat Ed Howell and Cleo Ralph in the doubles match, 15-11.

Virginia Dennis, San Francisco teacher, and her doubles partner, Betty Stephens, defeated Rosemarie Burnham, local teacher, and her partner, P. Burnham, by a 15-9 score.

Margot Lochhead, recreational director, won over Margaret Howell, 15-13.

There is room on the club's roster for four more players, an-

Albany Group Will Present "Safety Day"

Safety Council Meets Tonight to Work Out Details

Determined that Albany shall become "safety-conscious," members of the Albany Traffic Safety Council will meet tonight to formulate plans for "Safety Day" here next Saturday, July 10.

The meeting will be held at De-Biasi's Restaurant and is to be called to order by President A. L. Ford at 6:30 p. m.

After dinner the members will hear as yet un-named representative of Police Chief B. W. Wallman of Oakland, according to Mrs. Lela Brunstein, secretary. Everyone is invited to listen to this speaker tell of the work being done by a recently-formed committee in Oakland to investigate the causes of all accidents, she advised.

The committee is following the plan started by Evanston, Ill., the city with a national reputation for having reduced its traffic accidents to a negligible number.

CONSIDER PROJECT

Although plans for "Safety Day" have already been worked out by an active group in the local organization, tonight will be the first time that the project has been presented before the assembled members for consideration.

Permission has been obtained from the Police Department and the City Council for a series of striking "accidents," to be placed in various parts of the City. These will consist of old cars, turned over, around which will be grotesquely placed dummies.

Already the Albany Chamber of Commerce has tentatively given its approval to the suggested city-wide demonstration of driving carelessness and other groups are expected to assist.

Through Superintendent Thomas L. Farnsworth, the full facilities of the Recreation Department have been offered.

Acacia Club Presents Show

Journeying to Richmond last Monday night, members of the Albany Acacia Club presented an evening of entertainment for members of Harbor Lodge of Masons. In charge was William Allison, who also acted as master of ceremonies.

The program featured such local dancing talent as Dorothy and Doris Souza, Vernadine Patrick, Eddie Bartlett, Jewel Wilcox, Betty Jane Mattos, Jackie Timmers and Betty Jane Wilcox. Several songs were capably offered by Buddy Meads, Albany's young sensation.

At the close of the entertainment dancing was enjoyed to music supplied by the Utah Hill Billy orchestra. Refreshments were served by the Richmond lodge.

Enjoying the show and dance were many members and their wives from the Albany lodge as well as members, wives and friends of the Richmond group.

Sunday Heat Is Braved by Teams

Two softball teams made up of members of the Marin Dads Club, Oakland Title Insurance Company and the Albany recreation department teams, braved last Sunday's heat to engage in a practice game on University Park's diamond.

After a hard fought struggle Ed Humann's squad nosed out Emmett Devine's team by the score of 7-6.

Mrs. Laurel Hamilton of Curtis Street and Miss Judith Miller of Santa Fe Avenue returned yesterday from Skagway, Alaska, where they spent a two-week's vacation.

Mrs. Mildred Wagner, past commander of Albany Hive of the Maccabees, and her children, Helen and Kenneth, plan to leave shortly for their cabin in Lake County where they will spend a couple of weeks.

Officer, Wife, Tell Friends Of Long Trip

As is perfectly natural, Sergeant Charles Hardie of the Police Department maintains that the highlights of his recent trip back East was a visit to the New York police department and an inspection of the "line up" there in company with nearly 1000 police inspectors.

Mrs. Hardie, however, pointed out the beauties of famed Niagara Falls and states that was the big part of the vacation trip to her.

The local couple returned early this week from a month's vacation trip with Mr. and Mrs. Emil Lacombe of Berkeley. The party traveled to Chicago on the Southern Pacific's streamlined train, then moved on to Detroit, where strike conditions kept them from making a tour of the Ford plant.

Next stop was at Washington, D. C., where fate smiled on them. They arrived on visitors' day and were allowed to visit various parts of the White House. The two couples also listened while Congress debated the income tax problem. Side trips were made to the home of George Washington on the Potomac.

New York was next to be visited, and Coney Island, Harlem, Jack Dempsey's restaurant and other places of interest were investigated by the travelers.

The return from Niagara Falls was made by Canadian Pacific's scenic route to Prince Rupert, B. C. Then a boat trip to Vancouver, and a railroad journey brought the vacationists back to their respective homes.

Sergeant Hardie reported back on the job yesterday morning.

Hive Announces Success of Sale

"A complete success" is the report of Mrs. Florence Bell on the food sale last Saturday by Albany Hive of the Maccabees at Don's Market. The delicious food products the local group placed on sale, were sold within a few hours, she declared.

As head of the committee in charge of the affair, she has also announced that thanks are being extended to Don Accorero, market proprietor, for the courtesy and cooperation he showed on the occasion.

Near-Victim of Crash Monday

Court Fines Lax Drivers

(Continued from page one)

The first Donald, of 612 Forty-second Street, Richmond, paid a \$2 fine for going through the signals here. He was arrested by Officer Harry Stevenson on June 28. Then appeared Donald A. Davis, 1822 Nevins Street, Richmond, also arrested by Stevenson, but for the more serious offense of driving in the wrong lane of traffic. A fine of \$5 was imposed.

Spectators looked on with interest as Miss Joyce Miller, petite El Cerrito night club entertainer, took the stand charged with non-possession of an operator's card. Miss Miller, involved in a minor accident at Buchanan and San Pablo Avenues, on June 24, was arrested by Officer Stevenson when she could not produce her license.

NOW HAS LICENSE

Wednesday night, however, she showed a brand new card obtained that same day and testified that she had a temporary license at the time of her arrest but had left it at home.

Dismissing the charge the court made it clear that she was hereafter to carry the permit with her at all times when she was driving. Fully aware of the recent publicity given Miss Miller and her purported statement that she "would smile her way out of the charge," Judge Hardy sternly announced that judgment was suspended in her case. There were no smiles on the face of the defendant.

Mr. and Mrs. William Ludwig, of 1018 Santa Fe Avenue, are to move next week to Santa Rosa.

Seeks Owner of Bag Left Here Two Months Ago

Somehow in the East Bay, probably in Oakland, is a nurse who is bemoaning the loss of her handbag, left in a telephone booth here about two months ago, believes Mrs. Max Etingoff.

Mrs. Etingoff was in charge of her husband's S. P. Corner Store at Solano and San Pablo Avenues late one evening when she observed a short, middle-aged woman enter to use the telephone. The woman was carrying a brown leather handbag.

As the local woman prepared to close up for the night she noticed that the bag was still in the phone booth, forgotten by its owner. After a few days had elapsed and no one had inquired regarding it, Mrs. Etingoff opened the bag to seek a clue to the woman's identity.

Inside she discovered a black leather instrument case, fully equipped, a nurse's white cap wrapped in a towel, also a medical handbook and a pair of blue cloth gloves. In the book were several clippings from newspapers, a couple of business cards from Oakland firms and other miscellaneous scraps of paper.

The only apparent clue to the owner of the grip is the laundry mark on the cap, "104," an examination reveals. Mrs. Etingoff is now keeping the bag at her home, 636 Madison Street, still hoping that the owner will show up to claim it.

Rezoning Is Delayed Here

(Continued from page one)
That the matter of a post office for Albany is still under consideration by the Postmaster General, was disclosed in a communication from Senator Hiram W. Johnson. The senator also declared that, should a survey by the official prove that a need exists here, the Treasury Department will then take steps to secure a site for the office.

The council approved an application from the High School Dads Club to hold summer dances each Friday night in Marin School. The project has already been oked by the Board of Education.

Malay Film

A romance in the heart of the Malay jungle between a white man lost in the wilderness and a girl who had never seen a white man before, is the story of action-packed "The Jungle Princess," coming to the Albany Theatre on Sunday and Monday.

Ray Milland plays the part of the explorer in the Malay jungle who is saved by the girl and then falls in love with her.

Completing the extraordinary holiday bill is "Girl on the Front Page," with Edmund Lowe and Gloria Stuart, a cartoon and news release.

Showing today and tomorrow are "Green Light," with Errol Flynn and Anita Louise, and Joe E. Brown in "When's Your Birthday?"

Vacation matinees are to be presented each Wednesday at 1:30 p. m. until the opening of school, according to Neil Crowley, manager of the show house. Regular prices prevail.

Mrs. L. Larrabee Luncheon Hostess

Mrs. L. A. Larrabee was hostess at a luncheon given at her residence, 914 Pomona Avenue, Wednesday afternoon, June 23.

The repast was served at a table whose centerpiece was a large bouquet of orchid and yellow snapdragons banked in a green vase with yellow candles in matching candelabra.

At the cards which followed, Mrs. L. E. Adams and Mrs. George Anderson received highest honors. Other guests present were Mrs. C. Baker, wife of Captain Baker of Albany; Mrs. J. S. Engle, wife of Captain Engle of Berkeley, and Mrs. Charles Litsinger.

Visitors Here From Washington

Mr. and Mrs. Charles Rubbert of Kelso, Wash., are in Albany visiting the latter's parents, Mr. and Mrs. John Vial of 835 Cornell Avenue.

The trip was made to see Mr. Vial who has been ill since last June, and to view the new bridges. Mrs. Rubbert is a sister of Mrs. A. R. Bristol, who also resides at the local address.

An evening of informal entertainment and discussion of plans for their future term of office was followed by the serving of refreshments.

Guests present were Mrs. Gladys French, Mrs. Pearl Hastings, Mrs. Florence Strickland, Mrs. Ida Tange, Mrs. Mayme Healey, Mrs. Cherry Luby, Mrs. Margery Claver, Mrs. Emma Beman, Mrs. Edna Carson, Mrs. Polly Gantt, Mrs. Ella Puckett, Mrs. Nan Greenlay, Mrs. Rose Dailey, Mrs. Ada Maxwell, Mrs. Delia Bartle, Mrs. Nelly Craig and the Misses Evelyn Steinbruner, Freda Mortimer and Virginia Smith. Mrs. Marguerite Sullivan, past noble grand, was also invited but was unable to be present.

Native Daughters Greet Member at Shower

Mrs. Ruth Kemp was complimented by a stork shower given by Albany Parlor No. 260, N. D. G. W. at the meeting held on Wednesday evening, June 16.

Secret pals' identities were revealed at the banquet table and many surprises resulted. Two members whose birthdays occurred in June were also feted. They were Mrs. May Ellis and Mrs. Lena Lawrence. Mrs. Laura Isom acted as hostess and was assisted by Mrs. Marie Vargas and Mrs. Wemple Staples.

A benefit whist has been scheduled for Wednesday evening, July 14, at 8 o'clock. The public is invited. Score cards will cost 35 cents which includes refreshments. Preceding the card game there will be a short meeting.
